	The DD/PTS attended the annual EXCOM meeting to review the Agency budget. The OS portion of the briefing went well. Of concern to EXCOM and the Comptroller is the prospect of a static Agency budget situation while OS is looking for continued rapid growth into the 1990-95 time frame. It will become increasingly difficult for OS to maintain the pattern of growth we have experienced for the past three years. An updated briefing on the CI and Security budget will be provided to the EXCOM in the October-November time
25X1	frame.

The DD/PTS and C/CG provided testimony to HPSCI on personnel security issues regarding leaks divulged in Bob Woodward's book "VEIL," the Howard case, and Cuban CI activities. An OS-prepared statement was presented at the beginning of the hearing, and much of the session was devoted to discussing the nettlesome issue of controlling leaks.
6. Meritorious Unit Citation
The C/CG announced that Clearance Division will be presented with a Meritorious Unit Citation by Mr. James Taylor, Executive Director, on 28 June.
7. TEMPEST Division Personnel Address Seminar
The C/TSG stated that he attended a seminar hosted by the Office of Development and Engineering, COMSEC Division at two contractor facilities in California this week. Several TEMPEST Division personnel gave presentations on topics of interest to the Contractors. A good question and answer session followed the presentations.
8. Move to New Headquarters Building
The AO has had preliminary discussions with OL regarding OS's future move to the New <u>Headquarters</u> Building that is tentatively scheduled for the summer of 1989.
9. Changes to Cash Award Program
The AO announced that recently published delegates certain authorities for the approval of cash awards. In addition, the Agency's cash awards budget has been doubled, and an optional cash feature will be added to the Meritorious Unit Citation.
